

# Apple Seeds Third Beta of tvOS 18.2 to Developers [Update: Public Beta Available]

Monday November 18, 2024 10:15 am PST by [Juli Clover](#)

Apple today seeded the third beta of an upcoming tvOS 18.2 update to developers for testing purposes, with the beta coming a week after [second tvOS 18.2 beta](#).

Registered developers are able to download the tvOS 18.2 update by opting in to the beta through the Settings app on the [Apple TV](#). A registered developer account is required.

tvOS 18.2 adds improved support for projectors with a 21:9 aspect ratio and several other aspect ratio options to choose from. The update allows the Apple TV to automatically detect the aspect ratio of your device, selecting the correct setting.
