

29 Insanely Cool Gadgets That Are Going to Sell Out This November

(Tip: These Make Perfect Gifts)

ASHLEY FLETCHER | NOVEMBER 19, 2024 | ADVERTISER DISCLOSURE

Overwhelmed by shopping insanity? Our editorial team has got you covered!

We have done all the hard work for you and handpicked **2024's unique, exciting and best selling gadget gifts**. They are all about creating memories and putting smiles on faces.

Most of these genius gadgets can only be found online & are under \$60. They are still in stock for a limited time and they have **30 days money back guarantee**. Plus, most of them are exclusive to our site - which means **you won't be able to find them anywhere else**.

Our advice? if one (or a few) of these cool gadgets catch your eye, make sure you grab them quickly before they run out!

1. Ryoko Pro - This Tiny Device Creates a WI-Fi Network

Wherever You Go (And Big Companies Aren't Happy About It)

4.8

Discount: 70% Off

MUAMA Ryoko is a pocket sized, wireless WiFi gadget that helps you get a high speed internet connection wherever, whenever! This is especially useful in the summer when we're out and about, but still need to be connected.

If you're carrying the MUAMA Ryoko portable router, you're connected. It's that easy. No hassles, no hard to read instructions. Simply receive your new gadget, open it up, and connect. It's that easy. Too good to be true? Read more about it here.

- Connect up to 10 devices simultaneously - perfect for families
- No contracts or hidden monthly fees
- Built-in VPN keeps your data secure
- 8+ hours of battery life on a single charge
- No roaming fees worldwide

9. **Hilipert Reading Glasses - Are You Over 50? You Have to Try These Revolutionary Glasses**

4.9

4000 Reviews

Tired of squinting trying to read your phone or laptop? Sick of not being able to see people, wildlife, and objects in the distance?

Hilipert Reading Glasses are revolutionary new reading glasses that do wonders for both up close and far away.

These remarkable, yet highly affordable, reading glasses are **fully ADJUSTABLE**... Simply use the little dials on the sides of the lenses to adjust the magnification. It takes just seconds to dial in the perfect custom magnification for super clear up-close reading and handy work. Then dial again to see distant objects with complete clarity.

[Get Crystal Clear Vision With Hilipert Reading Glasses »](#)

10. **Bril - Simple and effective way to clean your toothbrush**

5

6928 Reviews

Recent research shows that the toothbrush is the 3rd dirtiest thing in the home just after dish sponges and the kitchen sink. Your toothbrush is loaded with germs, up to 100 million of them.

Bril is a portable toothbrush case that automatically sterilizes your toothbrush after every use. The concept is pretty simple: instead of trying to kill bacteria after it's inside your mouth, Bril helps you kill harmful germs and bacteria at the source (your toothbrush) – before they ever reach your mouth.

[Shop Bril Now »](#)

11. **Hilipert Muscle Trainer - This Military Method to Lose Weight Is All the Rage**

4.9

3843 Reviews

Hilipert Muscle Trainer is a new military-grade device that uses **EMS technology to help burn fat and build muscle**. It works by sending electric pulses to exercise the abs and arms muscles, simulating high-intensity workouts without the hassle of going to the gym.

Hilipert Muscle Trainer can be used for as little as 20 minutes per day and has many benefits, such as **building muscle strength, improving weight loss, revealing abs, enhancing range of motion, relieving cramps, and improving blood flow**. It is also safe for people of any age to use and has no side effects. The stimulator is super easy to use, just stick it on your belly and arms, press one button, and you're good to go.

[Shop Hilipert Muscle Trainer Now »](#)

12. **Tenikle - Weird Gadget Instantly Mounts Your Devices Anywhere**

4.9

Discount: 40% Off

Tenikle, as seen on Shark Tank and The View, is your go-to for versatile device mounting. Its flexible arms adapt to hold your camera or screen at any angle. Those durable suction cups? They cling tight to smooth surfaces, even windows. And that top grip? It spins your phone 360°. Built to confidently hold up to 30 lbs, its design is both unique and patented. Mounting is as easy as bend, stick, and go!

17. **Pluxy** - Enjoy Smooth, Hair-Free Skin for Up to 4 Weeks

4.8

3812 Reviews

Pluxy is the world's first epilator designed specifically for facial hair. It removes hair from the root, making it grow back finer and slower. Faster than plucking, less painful than waxing, and gentler than shaving, **Pluxy** leaves you with silky-smooth skin that lasts.

Forget about cords, fuss, and those dreaded waxing appointments - Pluxy gives you an easier, more comfortable way to manage facial hair.

[Shop Pluxy Now »](#)

18. **UVBrite - The World's #1 Self-Cleaning, Purifying Water Bottle**

Discount: 50% Off

With UVBrite, you can finally enjoy safe, pure water – anywhere in the world – with just the touch of a button. It uses UV-C LED light to effectively kill harmful germs from any source of clear water – something traditional filters simply can't do.

Every time you activate the purification system, **UVBrite** automatically cleans the stainless-steel bottle, too. This means you only have to toss the bottle in the dishwasher once every 3-6 months to keep it as good as new.

- Removes harmful nasties from your water
- Stops the build-up of unpleasant tastes, films and odors
- Saves you \$\$\$ on plastic bottled water
- High-quality insulation keeps drinks hot or cold for hours

30. **My Happy Feet - These Miracle Socks Are Undoing Decades of Damage to Our Feet in Just Weeks**

5

Discount: 30% Off

It's one of the most frustrating moments for every senior:

They finally have the time to get active again - but decades of modern, sedentary lifestyles (along with ill-fitting footwear) caused their toes to become misaligned and moved out of place.

As a result their feet feel tender, sore, and weak.

Eva Nemcik - a retiree herself - wouldn't have it, though. And after years of development, she came up with **what some users call “miracle socks”**.

They're designed to improve your circulation, reduce swelling, and decrease your foot pain over time by gently stretching, separating, and realigning your toes.

By undoing the harmful effects of everyday life, “**My Happy Feet Socks**” fix your foot pain for good...

And based on the positive reviews and recommendations from Podiatrists, doctors, and even yoga experts, they clearly do the job!

End Foot Pain Today With My Happy Feet Socks »

31. **Peeps - NASA's Solution for Dirty Glasses (Now Available to The Public)**

4.8

Discount: 50% Off

With over 7 million sold, this gadget is a must have for everyone. Peeps revolutionary and patented invisible carbon formula safely and easily cleans your glasses, leaving your lenses as clean as the day you got them.

Peeps utilize the same **innovative molecular-carbon technology used by NASA** to clean their ultra high definition optics.

Peeps include a brush that slides out and wipes any dust or debris off your lenses. Next is a tweezer-shaped cleaning tool with two carbon-infused microfiber pads. These pads clean both sides of your glasses simultaneously and are uniquely designed to fit the grooves of your lenses.

When you're finished cleaning, the patented case recharges the cleaning pads with new carbon molecules for the next use. (Independently lab tested for up to 500 cleanings.)

[Click here to learn more about Peeps »](#)

34. [WellHeater - Heat Up Your Room In Minutes & Save \\$100s In Electricity Bill](#)

4.8

Discount: 50% Off

Americans are spending more time than ever at home or out in their backyards this year for obvious reasons. With winter just around the corner it's no wonder this mini portable heater called Cyber Heater is flying off the shelves.

Stop using prehistoric heaters that end up costing you tons of money on electricity bills. **Well Heater** has a digital temperature display to show you how warm your room is, and uses just 350 watts of power as well which makes it an energy saving device.

Cyber Heater also comes with built-in safety features. It shuts off automatically when it gets too hot or it falls over. So you can use it all day and night without worry around your kids, pets, or furniture.

[Save 45% On Heating Bills With Well Heater »](#)

35. **Barx BusyBall - Keep Your Pets Stimulated, Healthy, and Strong While You're Away**

5

Discount: 63% Off

The Barx BusyBall is a toy ball made of tear-resistant materials meant to withstand lots of chewing, while keeping your pet entertained, engaged, and happy—all on its own! You don't even need to “start it up.” The built-in motion sensors hidden inside activate anytime your pet touches it, instantly starting a game of automated fetch.

And its smart programming technology moves the ball in a randomized pattern. This means the ball will bounce and roll in a variety of different directions and always keep your pet guessing on its next move. A single hour of charge can provide up to 8 hours of **nonstop entertainment for your pet**. With the Barx BusyBall, your pet will be occupied and engaged for hours on end—even when you're not around to play with them.

[Keep Your Pet Busy With the Barx BusyBall »](#)

36. **Bed Scrunchie - Never Struggle With Loose Sheets Again**

5

Discount: 50% Off

Loose, wrinkled bed sheets are more than a minor annoyance...they are a nightly sleep interruption! How many times have you woken in the middle of the night wrapped in loose sheets, just to have them move again when you put them back? With Bed Scrunchie, those days (and nights) are over.

Bed Scrunchie is an all-in-one bed tightening solution. Simply clip it to the edges of your bed sheets first, put on your bed sheets as you normally would, tighten the cord, and lock it in. And now your sheets won't be going anywhere, even if you toss and turn!

40. **Chill Pill - The Handheld Device That Helps You Fall Asleep in Minutes**

4.8

Discount: 60% Off

If you use sleeping pills on a regular basis, you probably already know they're not a smart long-term solution.

Sleeping pills can increase your risk of death by 4.6X — and they often don't even improve the quality of your sleep!

That's why we've been recommending The **Chill Pill** lately. It's a new handheld device (NOT an actual pill) that you hold in your hand while you go to sleep. It sends safe electronic pulses that calm your brain and help lull you into a deep sleep in just a few minutes. If you struggle to sleep quickly at night (or find yourself waking up frequently), this could be the innovation you've been waiting for!

- Delivers pulses of low-intensity electric currents that help you **fall asleep FAST — and STAY asleep!**
- Backed by science & tested to be **completely safe**
- Easy to use — simply hold onto the device as you go to sleep!
- Also helps reduce anxiety and panic attacks
- Helps restore balance to your brain's neurochemicals, improving your sleep quality over time
